

Master in Free Libre Open Source Software

Academic Course 2014/2015

Master Thesis

Implementation of a high availability solution based
on Free Libre Open Source Software tools for
Netnovation's Email and Collaboration System

Author: DANIEL H. GÁMEZ V.

Tutor: DR. GREGORIO ROBLES

Contents

Abstract	3
Acknowledgements	5
1 Introduction	13
1.1 Section	13
1.1.1 Subseccion	13
1.2 Document Structure	14
2 Problem statement	15
2.1 Justification / Motivation	15
2.1.1 Subseccion	15
2.2 Objetives	15
2.3 Scope	15
3 Precedents / Releated technologies / State of the art	17
4 Methodology	19
5 Implementation	21
5.1 Technical specifications of implemented FLOSS tools	21
5.2 Tets and validation	21
5.3 Other considerations	21
6 Results and discussion	23
7 Conclusions and future work	25
References	27
A Title of appendix 1	29

List of Figures

1.1	High availability scheme	13
-----	------------------------------------	----

List of Tables

1.1	This is a table	13
-----	---------------------------	----

Chapter 1

Introduction

As said in Chapter 1..

As you can see in Fig. 1.1 is described..

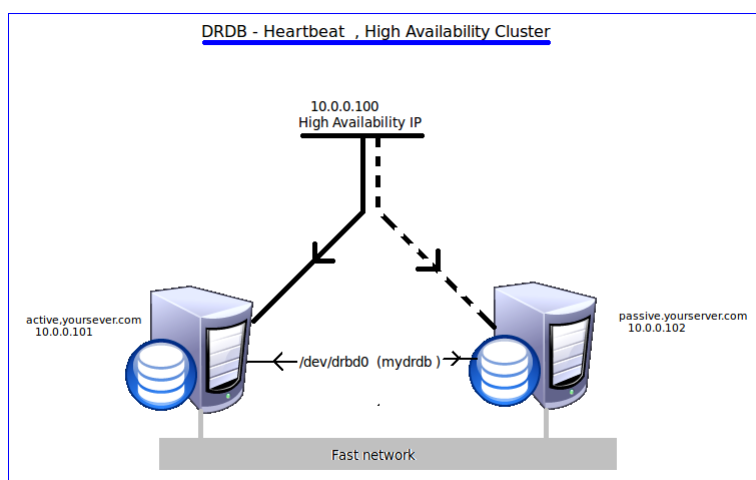

Figure 1.1: High availability scheme

A reference to the bibliography [1].

This is a footnote¹.

4	5	6
7	8	9

Table 1.1: This is a table

1.1 Section

Reference to Table 1.1

1.1.1 Subseccion

This is another footnote².

Here are some items:

- One
- Two

1.2 Document Structure

The way the dissertation is to be organised..

²<http://www.fsf.org/>

Chapter 2

Problem statement

Text..

2.1 Justification / Motivation

Text..

2.1.1 Subseccion

Text..

2.2 Objectives

- General objectives
- Specific objectives

2.3 Scope

Text..

Chapter 3

Precedents / Releated technologies / State of the art

- High Availability solutions based in FLOSS

Chapter 4

Methodology

- Implemented technologies

Chapter 5

Implementation

5.1 Technical specifications of implemented FLOSS tools

Text..

5.2 Tets and validation

Text..

5.3 Other considerations

- Solution complements

Chapter 6

Results and discussion

Text..

Chapter 7

Conclusions and future work

Text..
